What kinds of information do we collect?

We collect the content and other information you provide when you use our Services, including when you sign up for an account, Your networks and connections.

Information about payments.

We collect information about the purchase or transaction. This DOES NOT include your payment information, such as your credit or debit card number and other card information, and other account and authentication information which is managed by a trusted e-commerce specialist used by TD Banking and others around the world, Bambora Inc. We do collect information required to conduct business and provide proper audit trails, including transaction totals, frequency as well as billing, shipping and contact details.

Device information.

We collect information from or about the computers, phones, or other devices where you install or access our Services, depending on the permissions you've granted. We may associate the information we collect from your different devices, which helps us provide consistent Services across your devices. Here are some examples of the device information we collect:

- Attributes such as the operating system, hardware version, device settings.
- Device locations, including specific geographic locations, such as through GPS, Bluetooth, or WiFi signals.
- Connection information such as the name of your mobile operator or ISP, browser type, language and time zone, mobile phone number and IP address.

Promoting Safety and Security.

We use the information we have to help verify accounts and activity, and to promote safety and security by investigating suspicious activity or violations of our terms or policies.

How is this information shared?

If the ownership or control of all or part of our Services or their assets changes, we may transfer your information to the new owner so they may continue providing the services you signed up for.

We do not store or share information that personally identifies you (personally identifiable information is information like name or email address that can by itself be used to contact you or identifies who you are – though we may provide non-personally identifying demographic information to qualified service provider partners.

How can I manage or delete information about me?

You can manage your personal information in the ‘Manage my Account’ area.

You cannot delete your account once you have made a purchase, as the raffle you have purchased tickets to requires all purchased tickets to be included in the draw. However you can stop using your account at any time and request that your User Account be deleted. We will manually remove you from our system, preserving only the information we need for the management of the raffle system (ticket/purchase/time/totals etc..)

How do we respond to legal requests or prevent harm?

We may access, preserve and share your information in response to a legal request (like a search warrant, court order or subpoena) if we have a good faith belief that the law requires us to do so.

This may include responding to legal requests from jurisdictions outside of our operating jurisdiction where we have a good faith belief that the response is required by law in that jurisdiction, affects users in that jurisdiction, and is consistent with internationally recognized standards.

We may also access, preserve and share information when we have a good faith belief it is necessary to: detect, prevent and address fraud and other illegal activity; to protect ourselves, you and others, including as part of investigations; or to prevent death or imminent bodily harm. For example, we may provide information to third-party partners about the reliability of your account to prevent fraud and abuse on and off of our Services. Information we receive about you, including financial transaction data related to purchases may be accessed, processed and retained for an extended period of time when it is the subject of a legal request or obligation, governmental investigation, or investigations concerning possible violations of our terms or policies, or otherwise to prevent harm. We also may retain information from accounts disabled for violations of our terms for at least a year to prevent repeat abuse or other violations of our terms.

How will we notify you of changes to this policy?

We’ll notify you after we make changes to this policy and give you the opportunity to review and comment on the revised policy before continuing to use our Services via notification during login and announcements on our website.
